

Thank you for taking the time to read and consider my application for this position. I have had the pleasure to meet and work with so many wonderful orthoptists within the AACO and I would be honored to be a part of the organization. The AACO have done great work uniting us as colleagues and enhancing our profession globally.

I have been working as an orthoptist in the USA and UK for 6 years. My main passion and interests are the extended role of an orthoptist within a hospital setting and increasing our autonomy as clinicians. I believe my varied skill set and experience will be of benefit to the AACO and my MBA studies will support my role as a representative.

I look forward to meeting you all in San Francisco!
